

SPECIALIZED COVERAGE (ELECTIVE COVERAGE FOR EXEMPT WORKERS)

Under provisions in the California Unemployment Insurance Code (CUIC), employers may elect Unemployment Insurance (UI) and/or State Disability Insurance* (SDI) coverage for their exempt employees. The Employment Development Department (EDD) refers to these elections as Specialized Coverage.

Specialized Coverage requirements:

- Requests must be in writing, filed with and approved by EDD.
- The election must remain in effect for at least two complete calendar years unless the election is for a minor child. Elective coverage for a child terminates on the child's eighteenth birthday, at which time the child is mandatorily subject to both UI and SDI.
- Termination requests must be in writing, filed with EDD during January, and will be effective January 1 of the year filed (if more than two complete calendar years have passed since the effective date of the

election). Requests postmarked after January 31 will be denied unless "good cause" for the late filing is evident.

Elections for coverage will be denied if any of the following conditions exist:

- The intent is to discontinue the business within eight calendar quarters (2 years).
- The regular trade, business, or occupation of the employing unit is seasonal in its operations (this does not apply to public entities).
- The employing unit has failed to make a return or to pay contributions within the time required by the CUIC and there are unpaid contributions owed.
- The entity or officer or agent or person having charge of the affairs of the employing unit has been convicted within the last eight consecutive calendar quarters (2 years) of violations specified in Chapter 10 (commencing with Section 2101) of the CUIC.
